VINO VERMOUTH WINS DOUBLE GOLD

November 1, 2019

COLORADO'S FIRST BOTTLED VERMOUTH

AT THE 2019
GOVERNOR'S CUP

Best of Colorado Wine
Competition

**Vino Salida Wine Cellars announces
the Rosso Vino Vermouth has been awarded a double-gold medal**

by an expert panel of judges including sommeliers, chefs, writers and wine experts from around the country. The Colorado Governor's Cup is the only statewide wine making competition exclusively for Colorado Wines. The Double-Gold award is given to wines that show exceptional depth and drinkability beyond any other wine in the competition; a world-class wine. The Vino Vermouth has enjoyed tremendous popularity in our Poncha Springs tasting room for its unique aroma and flavor both as a sipping wine and in our craft cocktails.

Vermouth is crafted by infusing herbs, spices, roots and flowers into clear brandy distilled from Vino Salida wine by the Woods High Mountain Distillery in downtown Salida. The Rosso variety features Cardamom, Cinnamon, Clove, Ginger, Nutmeg, Orange and Wormwood. The spirit is blended into a wine base of Black Moscato, Cabernet Sauvignon and Cabernet Franc, all grown in Palisade, CO. Local alfalfa/clover honey from the Beekeeper's Honey Boutique sweetens this delightful fortified wine. The Rosso Vermouth can be enjoyed neat, chilled, poured over ice, or used to add intrigue to classic cocktails like the Manhattan, Old-fashioned or Negroni.

The Rosso Vino Vermouth will be available for tasting at the Colorado Uncorked showcase of the 14 double-gold winning wineries on Friday, Nov. 15 at History Colorado in Denver. Visit coloradowine.com for tickets. Stop in the tasting room to try the Bianco and Extra Dry varieties along with the other 2019 award-winners: The Vino Rosso di Salida, a blend of Zinfandel, Cabernet Franc and Merlot (Silver); the brandy-barrel aged Cabernet Sauvignon (Silver); and Bee Vino Semi-Sweet Mead (Bronze). Vino Salida wines are produced by Steve Flynn in scenic Poncha Springs, CO. Tastings are available daily, year-round.
